**OFFICERS' CLUB GIVES SMOKER**

New Military Organization Host to Cadet Corps Men This Evening.

The officers and non-commissioned officers of the University cadet corps will be guests at a smoker at the new Officers' Club, formerly the home of the University Military Academy, this evening. The smoker will be the first introduction of the new organization to the military corps.

The Officers' Club was organized before the close of school last year with Major R. S. Ramey as president. The president and several other members were called to the border during the summer vacation, and are still in the service of the United States. Notwithstanding this setback, the organization, with Captain F. M. Darr as acting-president, continued to perfect its plans, and started the new school year with twenty-seven men occupying the building. At a recent election of new officers Captain Darr was chosen president, and E. E. Bromeling, commissary, to fill the vacancy left by Captain T. M. Cornell, who is also on the border. W. F. Maring, Jr., secretary, was the only officer elected last spring who was not called to the border.

The club is chaperoned by First Sergeant A. D. Thompson, U. S. A., and wife.
